

Level II Diesel Fuel Test Kit

Part Number 672 Source 345

Level II Diesel Fuel Test Includes;

20 Elements

Particle Count ISO Code 11171

Microscopic Image

Microbial Growth in Fuel, Test Determines the Type and Degree of Infestation

Usually Measured by the more Expensive Plate Count System

Do I need a Level II Test?

1. Are your filters plugging?
2. Is there black pepper like floaters in my fuel?
3. Is there a slimy substance in my fuel?
4. I have water in my fuel

If you answer yes to any of the above this test could help you!
