

CAT® SELF-SERVICE OPTIONS

CAT® BATTERY REPLACEMENT

You count on your equipment to endure extreme weather, navigate extreme terrain and perform extreme jobs. We get it. That's why Caterpillar goes to extremes in design and testing standards to power your equipment with the best batteries in the business. Cat® Premium High Output (PHO) batteries out-test, out-perform and outlast the competition to ensure your equipment can go all-out for the long haul, even in the harshest environments.
