PETERSON TSK

RETURN OF A CHAMPION!

Peterson Cat—authorized Cat® dealer to customers in northern California, Oregon, and southwest Washington—is excited to announce the return of a champion: the TSK (Tier 4 Track Skidder)!

The Peterson TSK includes:

- Cat C7.1 Tier 4 Final engine
- 18% increase in horsepower and improved powertrain cooling for higher production vs. previous track skidder
- Increased fuel tank capacity by 10% for longer run time vs. previous model
- Heavy duty fuel tank guard
- In-cab engine diagnostic monitor
- Improved cab environment for operator due to a significant reduction in engine noise
- Engine accelerator (replaces decelerator in previous model)
- Cat Product Link for asset tracking and engine data
- LED lights
- Bluetooth radio
- Increased machine balance through improved center of gravity
- Swing boom with 110" bunching grapple
- Wide Heavy Duty PAT Blade covers width of track for improved grading function
- 8 roller track frames
- 30" tri-link track is standard or 24" track pads optional
- Improved serviceability
 - Replaced standard 8D batteries with smaller group 31 housed in easy-access compartment
 - Tip-out transmission cooler and radiator for easy-access cleaning
 - Improved turbine pre-cleaner for better filtration and more efficient maintenance
- 3 Year / 3,000 Hour Power Train plus Hydraulic Warranty
- Financing available from Cat Financial®
