

REBUILD BEFORE REPLACEMENT: BUCKET REBUILD SPECIAL

LET'S DO THE WORK.™

- **35% OFF ORIGINAL GET PARTS**
(GROUND ENGAGING TOOL)
- **15% OFF LABOR**
- **SPECIAL PRICING ON PLATE**
(in-house rolled & fabricated)

Have your loader or excavator bucket rebuilt by the people who know Cat® buckets. Peterson Cat's experienced welders and fabricators use original Cat parts to bring your bucket back to as-built specs. We also offer optional wear packages to extend your bucket's life and performance.

From a simple base edge replacement to a complete rebuild, the Peterson team can return your bucket to you better than new! Eligibility for this promotion requires the use of genuine Cat parts in combination with a wear kit, and/or bore restoration.
