*Offer valid from January 1, 2026 – March 31, 2026. Offer only available on select new Cat machines sold by participating Cat dealers to customers in the USA and Canada. Purchase must occur by March 31, 2026. Offer subject to machine availability. Offer is subject to credit approval by Caterpillar Financial Services Corporation for US customers, and Caterpillar Financial Services Limited for Canadian customers. Not all customers will qualify.

The offered Cat Customer Value Agreement (CVA) includes six maintenance parts kits: Cat S-O-S™ Services; and 36-month VisionLink™ ConnectPro. The maintenance parts cover the first 3,000 hours (estimated three years) of machine utilization. Each kit contains one set of parts for regular planned maintenance under normal operating conditions. In some severe applications where maintenance parts need to be replaced more frequently, additional parts will be at customer's expense. Offer excludes additional maintenance parts, dealer labor, wear parts and fluids.

Offer also includes a 36-month/5,000 hour (whichever occurs first) Powertrain + Hydraulics + Technology Equipment Protection Plan (EPP). In some areas, EPP might be sold separately from the CVA. Offer may change without prior notice and cannot be combined with any other offers. Additional terms and conditions may apply.
